Parking Pass Overview

Match Day Parking Passes

- The following slides show our Operations Parking for every FWC match
- ❖ Each match was assigned a team member who will be responsible for the parking passes for that particular match
 - ❖ If there are multiple cars, please make sure to distribute in order to avoid any problems once getting into the stadium
- All of the Octagon parking passes have been allocated to us by FIFA
- Cannot be replaced, so please make sure you hold onto them

Non- Match Day Parking Passes

- Outside of the Match Day parking passes, we are also issued Non-Match Day parking passes
- ❖ To be distributed to the individual team lead that arrives in each city first
- Not date / match specific
- Please make sure to collect these passes back from your transportation driver after you return to your hotel
